

DETERGENTS, DISINFECTANTS & HARD SURFACE CLEANERS

JANITOL PLUS

Heavy Duty Surface
Degreaser

FEATURES & BENEFITS

Non-Caustic - effective on any surface with no dulling of paintwork

Organic Amine Content - extra alkalinity makes it a very efficient grease remover

Liquid - readily mixes with water, leaving no undiluted material

Biodegradable - no pollution hazard so can be dispersed into normal drains

Anionic & Nonionic Surfactants - water softening capabilities & a good detergency which is free rinsing

Concentrated - dilute according to soiling type for maximum cost efficiency

Low Odour - for no unpleasant smells during use
