

DETERGENTS, DISINFECTANTS & HARD SURFACE CLEANERS

TREETOP

Pine Disinfectant

FEATURES & BENEFITS

Non-Toxic - a blend of vegetable oil, soap, pine oil & chlorinated phenol make it safe to use anywhere

Natural Pine Oil - eliminates objectionable odours making it ideal for toilet, drain & refuse areas

Concentrated - highly dilutable for maximum cost efficiency

Effective - unaffected by hard water, so powerful in all areas

Chlorinated Phenol - RW3, this broad spectrum germ killer is three times more effective than carbolic acid to reduce the risk of cross infection

Biodegradable - no pollution problems ensure that this product can be used anywhere
